5. [] Received a call from Jack Sullivan, House Foreign Affairs Committee staff, who told me that Chairman Morgan would like to schedule a briefing by the Director in Executive Session for Tuesday, 25 July, if that date is acceptable to the Director. I thanked Mr. Sullivan for the call and told him I would relay the Chairman's request.

25X1

6. [] Met with Mr. Arthur Kuhl, Chief Clerk, Senate Foreign Relations Committee, who told me that Senator Spong (D., Va.) will be chairing a meeting tomorrow on the drug question. Messrs. Ingersoll, D/BNDD, Rossides, Treasury Department, and a representative of the State Department will be appearing during the morning. As a followon to his earlier question, I reviewed the question of release of names, titles, positions, and assignments of Agency personnel with Mr. Kuhl in the light of the National Security Act of 1947 and the Central Intelligence Agency Act of 1949. The review appeared to answer any present question that he has on the subject. I left with him a copy of the Guide to CIA Statutes and Law.

I returned the transcript of the Laird briefing of 21 June 1972.

25X1

7. [] Met with Mr. Robert Lockhart, Assistant Counsel, House Post Office and Civil Service Committee, who told me that a hearing on the Committee draft of the Federal Executive Service bill will not be scheduled until the Committee returns on 17 July. In brief, he will be pleased to meet with our people and review any questions that we have on the Committee draft. It was his intent in drafting the bill and it is his opinion that the Agency is completely exempt under the terms of the present draft.

1. [] OPPB, called to say John Hurley, OMB, had been in touch with him to coordinate a statement in a draft of a briefing to be given the Foreign Relations Committee by the Bureau of Narcotics and Dangerous Drugs with respect to the Agency's role in the drug problem. I told [] we had been in touch with BNDD through [] and suggested a minor revision which would state that the Agency has been given an expanded role in combating the drug problem since 1971. The word expanded was added at our suggestion.

2. [] Accompanied the Director and Messrs. Steininger and Bruce Clarke who appeared before the Senate Armed Services Committee in connection with SALT matters. See Memo for Record.

3. [] Ed Braswell, Senate Armed Services Committee Chief Counsel, called Saturday to see if we had any objection to Richard Perle's sitting in on the Director's briefing of 26 June on SALT verification. Braswell explained that Perle, on the staff of the Subcommittee on National Security and International Operations, had been detailed to work with the Armed Services Committee staff on SALT matters. I said I was sure the Director would have no objection if Chairman Stennis wished Perle to be present.

4. [] Cover Staff, called to advise us of a call he had received from Byron Engle, of AID, this afternoon stating that AID Administrator Hannah has already answered Senator Proxmire's letter of 19 June in which he asked questions [] Engle indicated that Hannah had not consulted him in advance but he believes Hannah's response merely repeated the statement which he made in his letter of 15 June, i.e., that this was a matter that would have to be taken up with CIA.

I advised Bill Woodruff, Counsel, Senate Appropriations Committee, of this development.

25X1 12. [] Talked to Ralph Preston, House Appropriations
25X1 Committee staff, and brought him up-to-date on Messrs. Tweedy and []
[] meeting yesterday with Dr. Albert C. Hall, Assistant Secretary of
Defense (Intelligence), and told Preston that Dr. Hall, or a member of the
DOD Comptroller shop, may be coming to him directly for guidance in
format desired for the spread sheet on tactical intelligence. Preston said
he would be glad to give them the necessary guidance. Preston will try to
find the time to meet with me and Mr. Clarke during the day tomorrow.
25X1 [] IC, has been advised.

25X1 13. [] Bill Ashworth, Senate Foreign Relations
Committee staff, called and cancelled for this afternoon due to a Committee
meeting and after checking with Bruce Clarke, D/OSR, the meeting was
rescheduled for 3:00 tomorrow afternoon. [] OS, has been advised. 25X1A

25X1 14. [] Yesterday Ray McRae, Minority Counsel,
Subcommittee on Intergovernmental Relations, Committee on Government
Operations, called to report that he had sent our proposed letter to Senator
John McClellan (D., Ark.) on advisory committee legislation (S. 3529) to the
former General Counsel of the Subcommittee for review and comments and
asked if I would be available on call to meet with them if this became
necessary. I told him that we would be happy to cooperate in any way and to
just give us a call. McRae said now that Senator McClellan has won the
primary election, it is possible that the pace of committee activities will
increase.

25X1 15. [] Yesterday the office of Representative
Wayne Hays (D., Ohio) called and said that the Congressman was interested
in having a copy of the China Atlas. I told the caller that the item was now
available from the Government Printing Office and that our supply is pretty
much depleted, but that I would see if we could locate one for Mr. Hays.

25X1 16. [] Al Westphal, House Foreign Affairs
Committee Staff Consultant, called to report that he had been successful in
getting the conferees to accept our modification of the little Hoover Commis-
sion provision in the USIA/State authorization bill (S. 3526) based upon the
material which I had given him on 8 June. The modification was designed to
resolve any conflict between the Commission's authority to obtain information
and the Director's responsibility for protecting intelligence sources and
methods, etc. I thanked Mr. Westphal for his help and told him that I knew
the Director and Mr. Maury would be very grateful.

25X1 9. [] Yesterday met with Irish McRae, Minority Counsel, Senate Government Operations Committee, and reviewed with him a proposed report on S. 3529 (Federal Advisory Committees) requesting an exemption for advisory committees dealing solely with national security or intelligence matters. McRae said the proposed report looked fine to him and suggested that he run it by the former General Counsel of the Subcommittee, who is still handling the legislation, for any suggestions he might have and let us know the outcome.

25X1 10. [] Yesterday met with Al Westphal, Staff Consultant, House Foreign Affairs Committee, and told him that our two major problems with the Senate version of the State/USIA authorization legislation, S. 3526, had been favorably resolved on the Senate floor (10 per cent personnel reduction, and restriction on information dissemination), but that there were two other provisions on which we had taken a position within the Administration (extending the increase in civilian claim ceiling to apply to all executive agencies, and removing the possible conflict between a request for information from the "little Hoover Commission" and the Director's responsibilities for protecting intelligence sources and methods). I explained to Westphal we merely wanted to alert him to the possibility that he may hear from the Administration on these two items. Westphal was not enthusiastic about doing anything on the increase in claim ceiling, but thought that Representative William Mailliard (R., Calif.), ranking minority member of the Foreign Affairs Committee and a rear admiral, USNR, would be a likely supporter of our position and suggested that we contact him and Chairman Morgan after the conferees are appointed if we wish to push our position.

25X1 11. [] Yesterday met with Ben Darling, in the office of Representative B. F. Sisk (D., Calif.) and closed out the 1 June letter to the Director concerning a virus which would destroy the opium poppy by referring Mr. Darling to Dr. John L. Creech of the Department of Agriculture. This manner of handling was coordinated with [] CI Staff.
